Dear Miss Gilpin:

We have your letter of November 28th, announcing us your arrival for February 20 as ~~that of your~~ companion.

We are reserving a double room at Mayaland Lodge from February 20 to the 27th. Our rate for one week at Mayaland Lodge, round trip car transportation and guide service for three full days is \$105 dollars per person. The trip to Uxmal costs \$12 for the two of you. We will allow you a 20% discount. We would like to give you a more substantial discount but you will be coming right on the middle of the winter traffic and our accommodations are very limited. We forgot to inform you that the dark room used by Doctor Morley at the Carnegie headquarters is out of order now. So you are doing well in bringing your complete dark room equipment.

Hoping this is agreeable to you and looking forward to greet you here personally, we remain

Very truly yours,
