RE: Policy #373622 - Francis Gilpin, Jr.

Dear Mrs. Gilpin:

In reply to your letter of May 7, we wish to inform you that the above policy was issued to Mr. Gilpin on October 21, 1936, and one annual premium was paid thereon.

The premium due October 21, 1937, was not paid and the policy, therefore, was lapsed on our records and is not now in force and consequently has no value.

Very truly yours,

L. L. Brown

Dear Laura - This is the policy I looked
thru eight banks for in Ft. Worth & Dallas.
I haven't got the other insurance yet because
of an assignment from Frank last week
it will be another three weeks before an
affidavit is executed and sent thru. Every-
thing that could be irregular about all of the

business, is just that. Today's mail
brought in \$150⁰⁰ more checks. Total
now is \$1100⁰⁰/ I'd cut my life
short right now if it went for
Tommy.

I am staying with friends in
Beverly Hills and I'll be here until I
get finished with Richfield - another
three weeks maybe. My address is
9955 Durant Drive - Beverly Hills -
and the telephone is CeSTrow - 10587.

The morning paper said Geo. Putnam
is to be married here on June 10th to
one Margaret Hariland from Michigan
City, Ind.

How are you doing? I saw
Jack Reed's mother yesterday and she
said Johnny Moore is on Okinawa.

Love
Edna
