Dear Sirs:.

Last fall, at the request of Miss Barbara Loomis,
Assistant Curator, History Division of your Museum, I sent
out to you my portfolios of platinum prints, ^{of New Mexico and Indian} for
exhibition in connection with your blanket exhibition.
I have written twice to Miss Loomis requesting the
return of my prints as I have promised them for an
exhibition next month here in the East, and as far
I have had no answer from her.

May I please hear from you ~~soon~~ regarding
these photographs -
