Colorado.

Dear Miss Gilpin:

It was fine having you at our meeting last night and we are glad that you have taken up your membership again. We hope that it will bring you pleasure and interest.

I enclose your card and some print labels. You may have more labels at any time for the asking. I have made your year run to October, 1946 inasmuch as we are quite inactive during the summer.

Mr. Martin mentioned something about your new book. If you care to send me any advance publicity I think I can give it some mention in LIGHT AND SHADE.

As per your request, I will not mail this letter for about two weeks. I will mail your catalogue at the same time. If I am to change your address please notify me.

Sincerely yours,

Samuel Grierson
Secretary-Treasurer.
