Dear Miss Gilpin:

We received your letter of August 9. We took note of your plans and addresses for the near future and should we have assignments for you we will let you know immediately. We would appreciate very much your letting us know how your experiments with Ansco and Kodachromes came out or what still would be much better, if you could send us a few samples of your color photos. As you might know, it is always much easier to get assignments if one can show samples of the work to the editor.

Sincerely yours,

PIX, Inc.
