Dear Laura:-

I am amazed that you have not received the dryer. Am inclosing an Express receipt showing that it was shipped to you on Oct. 9th. Please take it to the Express office and check there on it. If it is not there please return the receipt to us and we can enter it here for a claim.

The paper situation has not eased a great deal. Am sending you five dozen V.B. #3 R. Hope you can use it as an emergency. Have ordered what you want from Du Pont and hope to be able to forward it on to you before too long.

All the Posts are gone on the newstands but one of the boys here at the shop has one. Is going to bring it down and will look at pages you stated.

Yours very truly,

SHEWMAKER'S CAMERA SHOP,

We have more dryers in stock. Will ship you another right away if it is lost.
