REPLY TO

538 NW 34th St
Oklahoma City 3, Okla

My Dear Miss Gilpin:

The PSA is beginning to assemble its print interchanges for the coming season and has asked me to do some work along this line out here in our neighborhood.

I suggested to our Camera Club Division secretary that you should be able to furnish us with an 18 or 20 print one man show and he has asked me to arrange it.

Would you be able to do this for us? The Club membership has grown by leaps and bounds the past year and the demand for interchanges is greater than ever before. They want the shows in by early October and if you can help us we'll be indebted to you no end.

Would you let me know as soon as possible so I may report to headquarters?

Sincerely,

M. A. Woodbury
