Dear Miss Gilpin

The photographs are marvelous!

They are so perfect - they leave one
practically speechless.

Listen - lady - you certainly have
credit here. I charged you and Miss Taylor a total
of \$40.00 - so subtract that from your bill and the
balance is in your favor.

Do come see us. Betty will be
back in a week's time.

My regards to your charming cousin.

And thanks again for the beautiful
pictures. We'll be ordering many - soon.

Sincerely

Osborne Wood/.
