KENOSHA, WISCONSIN

July 15, 1946-

Dear Miss Gilpin,
Thank

you so much for your letter
of the eleventh - I am
so glad that you think
you will be able to find
the negative - Where does
not matter at all - I
shall be very happy to
have the pictures when
it is convenient for you to
make them -

With best wishes for

a pleasant summer -
it could not be
otherwise in that lovely
place!

Sincerely

James D. Anderson
