KENOSHA, WIS.

Dec. 28.

Dear Miss Gilpin:
Thank

you for your letter and
the sample print which I
prefer to the whole negative.
If they can be made in
sepia to match the
inclosed picture of my
father, it would be very
nice - if not it will be
very nice anyway. Also,
if I frame them together,

my mother so that they

Would face each other?
If so, and you can
do it easily, I think I
would like it -

Thank you so much
for taking all this trouble
and best wishes for
the New Year.

Sincerely
Jenett. Anderson.

I don't remember how
many I ordered of the
small prints - I would
like a dozen at least
and more if my first order
was for more -
