Dear Miss Gilpin,

Thanks for your letter of March 30th. I was glad to hear from you and if you did not get any letters from me during all these months, it was for the reason that no assignments came through.

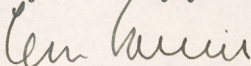

In fact I just talked about you the other day in Philadelphia, to the POST as well as to HOLIDAY. As soon as we shall get your black-and white negatives, we will make the enlargements and I shall forward them to HOLIDAY. I hope to get a quick reaction from them. We talk over the phone about twice a week and I shall try to get the editor's response soon.

We are glad to know that you are staying in Texas for the next 4 to 6 weeks, and if I can see possibilities for assignments, I shall gladly inform you immediately.

Sorry that we have not been able to sell any of the kodachromes, however we have only a small number anyhow. Single black-and whites are also not too easily sold.

I do hope to have better news soon.

Very sincerely yours

Leon Daniel
