Dear Miss Gilpin:

This coming October our Omaha Camera Club is sponsoring an International Photographic Salon for Omaha, to be held in our Joslyn Memorial Art Gallery. When I was at Wichita recently, visiting with Mr. and Mrs. Lentz, they told me of the very fine salon that they had been sponsoring and on which you served as one of the members of the jury.

So far, we have secured the services of the following members of P.S.A. to act as jury for our coming exhibition:

Mr. George Greene, St. Louis
Mr. Harry Shigita, Chicago

No doubt you are personally acquainted with both of these gentlemen and if you could complete the jury as a third member, I am confident that we would have one of the finest groups of judges that could be secured anywhere.

Our judging will be held probably on Saturday and Sunday, September 14th and 15th - otherwise, it might be a week later on the 21st and 22nd. — In all probability the former date.

The Omaha Camera Club will, of course, cover all of your traveling expenses and furnish entertainment while in Omaha and if you were coming from Denver, you could leave there in the afternoon and be here by midnight, or otherwise take a night train and arrive here on a Saturday morning. Your connections returning would be similarly favorable.

Would you kindly write me by return mail, advising if we might have the honor of having you as one of the members of this jury of selection.

While this is Omaha's first entry into the International Salon activities, nevertheless we have had a local club here for the past twenty years and our Joslyn Memorial offers one of the finest Art Museums in the country, in which our prints will be exhibited. We have arranged for the special downstairs lecture room, which is an ideal place for the judging to be carried on. Should you be able to participate, I am sure that you will be able to enjoy your brief visit to Omaha.

Awaiting your early reply,

Very sincerely yours,

Harold Diers, Secretary

P.S. I just talked to Mrs. Lentz by phone and she reported you are at Yucatan.
