Dear Mr. Cervera:-

Your letter came very quickly and I was so glad to hear from you. I shall be very glad indeed to help you in any way I can with your photography, and I hope that it will be possible to have you help me while I am in Merida.

Mr. Morley has arranged an exhibition of the prints I made from my former trip.

This will be at the Museo Arqueológico. There are two things I should like to know before I come down. 1. Does the Kodak store in Merida carry the Tropical Fixing Bath? 2. Do they have any flash bulbs? I will give an address below where you could catch me in San Antonio until Feb. 12, and I believe that an answer would reach me in time. I am trying to learn some Spanish and perhaps we can help each other. I shall be careful in my reference about you.

With best wishes,

Sincerely yours,
