Dear Mr. Daniel:-

Your wire requesting Colorado Kodachromes arrived yesterday evening. With this mail I am sending you fourteen 3x4 films, list of titles included. These were all made in Colorado. I was very glad to hear from you.

I have just finished my second big book, and am getting myself into line for other work. Am ready to go any where anytime on assignment. If this Colorado call is sufficiently important, I can go make some 5x7 Kodachromes at once. The fall color is on and I can reach very fine parts of the State from here in a few hours time. I believe that 3x4 is a little small to suit present day demands. I shall be switching to 4x5 in a short time, and in the mean time 5x7 will certainly answer.

I have a few other transparencies at F.P.G. who never seem to sell anything for me, and I have wired them to return them. As soon as they come in, I shall send them on to you. In the meantime if you have any suggestions as to subject matter that could be readily sold, I shall be glad to hear from you and proceed to make some.

Very sincerely
