Dear Mr. Johnson:-

Yest indeed I am still selling postcards. Your card was forwarded to me here where I am now living. I am about to add some new sets to those already on the market but it will be some time before I receive them. The first 8 sets are selling at the old price of 12⁴/₈ per set. I have sufficient stock of all except the one of Taos Pueblo which is sold out and will be reprinted just as soon as possible. I have the set of Ranchos and the other six which are as follows:

- No.1 Navaho
- No.2 Acoma
- No.3 Mesa Verde
- No.4 Navaho
- No.5 Toas (out of print)
- No.6 Sanildefonso
- No.7 Chimayo
- No.8 Ranchos de Taos.

All the cards I have left are at the moment on the way down here from Colorado Springs, and I can fill your order just as soon as they arrive.
