Dear Don Antonio:-

Yesterday I received a letter from Dr. Morley telling me that he has arranged with you for an exhibition of the photographs I made at Chichen Itza when I was in Yucatan in 1932. It is very hard to realize that it was so long ago. I shall bring a portfolio of about 50 prints with me, arriving by plane from Mexico City on Feb. 18th. Dr. Morley tells me that he has suggested having an opening of the exhibition on Feb. 20th, and he also suggested that I send you necessary information for your publicity. This is all on a separate sheet which I enclose herewith. My prints are mostly size 16x20 inches, a few are smaller.

It will be a great pleasure to see your Museum once more and to meet you. I cannot tell you how I am anticipating this return visit.

With many thanks for your interest, and with best wishes, I am

Very sincerely yours,
