Dear Miss Gilpin:

Thanks for your prompt reply. I'm glad to hear you're an even nearer neighbor, and shall look forward to seeing you in Taos more often in future. Yes, I do know your book, "The Pueblos", we have it in the Library here and I have sold a number of copies in my shop. I shall reorder at once, if it will help them hurry with the binding!

Let me know as soon as the Taos cards are in print again. Meantime you might send me 40 sets as a starter, 5 sets each of Nos. 1, 2, 3, 4, 6 and 7; and 10 sets of No. 8

40 sets at  $12\frac{1}{2}\%$  each..... \$ 5.00 (enclosed).

Sincerely,

*Spud Johnson*
