Dear Miss Gilpin:

I was pleased to receive 12 sets of your Taos Pueblo cards (No. 5) a day or so ago -- but surprised to have no response whatever to my order of June 29th, in which I asked for 10 sets of No. 3 and 10 sets of No. 8 -- and enclosed my cheque for \$ 2.50.

This cheque has not been cashed, so perhaps you didn't get the order at all! Shall I cancel the cheque and send you another ? Or did it simply get mislaid while you were in Yucatan ? Let me know.

Sincerely

*Spud Johnson*
