Dear Laura:

I am sending you the page proofs of your Portraiture chapter. Will you give it a final checking and return soon as possible. I pasted in a few of the engraver's proofs to give you some idea about the illustrations. I finally found a Terborch picture which came closest to your description.

How is the new book coming along? I'll be anxious to see some of your new photographs when they are ready for showing.

Best wishes,

Sincerely,

Willard D. Morgan
