Dear Miss Gilpin,

I went back east this Summer to gather Genealogy and on my trip I was given your name and thought you might be able to help me.

my mother was a Gilpin, her mother and Father were married at Lebanon Indiana, July 17, 1879. his name was Elis P. Gilpin and when my mother was a year old they seperated.

If you know of any of the

Family who might be the one
will you please let me know, he
was believed to be from Ohio or
Pennsylvania.

I would like to know his Father's
and Mother's name and any brothers
or sisters if he had any. I am
trying to get a her family history.

Sincerely,

Mrs. George Heddo
