Miss Laura Gilpin,
P.O.Box 1173,
Santa Fe,
New Mexico.

Dear Miss Gilpin,

Your letter of November 25th reached me this morning. No mail delivery yesterday, Thanksgiving Day. Shall get an answer off at once trusting it reaches you Saturday. Since you have a post office box you are not dependent on delivery service.

I have heard the little temple you refer to, called the "Sorcerer's Temple", but it is a recent seldom used name and I think better disregarded. For years it has been known as the "Lower Temple of the Tigers". That is the name we use. T. A. Willard called it the Temple of the Base Relief. Holmes in 1895 called it the Lower Temple of the Tigers. You will be safe and correct if you call it the "Lower Temple of the Tigers". Believe it or not I have heard it called the "Temple of the Cosmogonic Columns".

Glad you and Dorothy had a good trip south.

Best ever,

Ward Ruggert
