Miss Laura Gilpin
317 Cheyenne Road
Colorado Springs, Colorado

Dear Laura:

Visitors that come to my house from time to time always are very much interested in the beautiful postcard photographs that you had made for Ruth and I several years ago of Poblanos Ranch.

Do you still have the plates, and could some more be printed if I needed them?

I hope things are going well with you. Life is not much fun for me, but I am doing the best I can.

Your friend,

Albert Simms
