Laura Gilpin,
P.O. Box 448
Colorado Spring, Colo.

Dear Cousin:-

Cousin Mary Gilpin, who passed away on the 9th. of January, left a Will in which a legacy was to go to you for \$200.00, and also your proportion of the residuum to come later.

Although it is ahead of legal schedule, I have elected to pay the specific bequests at this time, as the cash is now in hand for same, and I cannot conceive of any taxes (Federal Estate) to upset my calculations.

Check is enclosed for \$185.00 and receipt which I would like to have signed and returned to me; the clause in RE tax is a provision to save the estate paying tax on taxes, and will increase in small way the final amount each beneficiary will receive.

The amount which will come later will be somewhat dependant upon the sale of real estate.

Sincerely yours,

Frederic L. Thomas, Executor of
Estate of Mary E. Gilpin
