Dear Miss Gilpin:

Yesterday I wrote you sending you some pictures. Today it occurred to me that I had never processed your request for information regarding the mountain scenery in the vicinity of the City of Chihuahua in the State of Chihuahua in Old Mexico.

Today Mr. Nate R. Cordova, Representative of the Western Railroads, who is located at 421 Mills Building, El Paso, Texas, was here and I told him of your inquiry. He suggested that I write you and suggest to you that you write Mr. Cordova for the information you wish. I believe Mrs. Cordova was born in the City of Chihuahua and she and Mr. Cordova are frequent visitors there, so they can give you, I am sure, up-to-date and authoritative information.

Please feel free to write Mr. Cordova, to whom I am sending a copy of this letter.

Yours very truly,

A handwritten signature in cursive script, appearing to read "J. T. Williamson", with a long horizontal flourish extending to the right.
