Dear Miss Gilpin:

Thank you very much for submitting your letter of
March 19 and three kodachrome transparencies.

We anticipate planning an article on Chichenitza,
Mexico. If you have covered this area with colored
pictures, I would like to see any unpublished
photographs that you might have.

As for submitting any articles to HOLIDAY, I suggest
that you contact Mr. Edward Strode, an Associate
Editor.

Sincerely,

Lawrence S. Williams
