Dear Miss Gilpin:

The PSA Headquarters has notified me that you have recently joined the Pictorial Division and it gives me great pleasure to welcome you into the Division.

As a member of the PSA you have been receiving the PSA Journal and I am sure you have read of the many activities of the Division and of the splendid job which our Chairman, Mr. John R. Hogan, is doing for us.

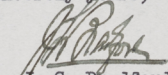

Among the important activities of the Division are the PSA Photo Portfolios and the PSA Award of Merit, all of which have been described in detail in the Journal. These are open only to members of the Division.

The Photo Portfolios now available are the Pictorial, Portrait, Photo Journalism, Star Exhibitor, Control Process and Color. In addition to these there are the International Portfolios which started with the Anglo-American Portfolios, the sixth of which is being formed. Portfolios to other foreign countries are planned. We hope that you have joined, or will join, one of the portfolios, which have become very popular.

The PSA Award of Merit is open to members of the Division who have had a minimum of six different prints exhibited in recognized salons, with thirty total acceptances, at least one for each print.

I know you will get a great deal of help and pleasure out of your membership in the Division. If there is any way in which I can be of service to you I hope you will not hesitate to call on me.

Sincerely yours,

J. S. Bradford
Secretary

Pictorial Division
