My dear Writer:-

Notices are appearing and you will want reviews from the first.

We keep a file of reviews of previous books which can be included if wanted.

There is NO TIME LIMIT on our subscription.

You will have the benefit of an intelligent group of readers who are interested in the work and are chosen for that reason.

This bureau has been established over a quarter of a century and we are now reading from all the largest dailies and magazines carrying reviews.

We are depending on your decision to become one of a notable list of clients. Will you?

Cordially
