Dear Laura:

Since returning from Yucutan and Mexico, I have been snowed under and did not get to write to you at an earlier date. I'm not sure whether you met mother when you were at our home last fall. She passed away last Monday and we laid her to rest on Wednesday of this week. Had it not been for this, I might have come to St. Louis this week-end to be present at the judging which I know will be very interesting.

Our Omaha Salon will again be held during October and the judging will take place on Saturday and Sunday, September twentieth and twenty-first.

It has been the unanimous expression of ^{the} committee to request a return engagement from Miss Gilpin if she would be kind enough to consent to again act as one of our members of the jury. We have not as yet decided on the other members, and I would appreciate any suggestions which you might offer. Tentatively we have thought of Mr. Jack Wright from the Pacific Coast and Don Loving from Chicago. If you have any other suggestions, would you kindly send them to me.

I do hope that you can be with us next fall. I wish I could show to you our 2,800 feet of color movie which we took on the trip down south. We were so carried away with Yucutan that I'm hoping that we can go back again next winter and then go on to Guatemala and possibly on down to Panama.

Will you please let me know at your earliest convenience in regard to acting as one of the judges, so that we can prepare our publicity at an early date. With kindest personal regards,

Sincerely yours,

Harold Diers
