Dear Miss Gilpin:

According to my records, you make commercial size kodachromes of flowers and gardens, and if you have material now available, I would like to hear from you.

We like to use rather dramatic illustrations either of interesting flowers photographed close up or nicely designed gardens with plenty of mass and color or architectural features.

If you have anything of this sort that you would care to submit, I would like very much to see it as soon as convenient.

Sincerely yours,
THE FLOWER GROWER
