Dear Laura Gilpin:

Bill and Sally Lippincott write that they have already spoken to you about our planned PHOTOGRAPHS OF NEW MEXICO exhibit. And that you have already said yes.

I keep imaging that each day I will get up to Santa Fe. But I don't.

Our date is now set for the PHOTOGRAPHS OF NEW MEXICO show: August 31 - Sept. 13th or 27th. I am counting on having Weston, Strand, Jarrett, Rusinow, Adams, Snow, Berg, Knee.

I will still look forward to seeing you in Santa Fe one day soon. Meanwhile, I should like to have you tell me that we can count on representing (at least two works) you in the exhibit.

Sincerely,

Vincent Garoffolo
