Dear Mr. L.L.

The Forest Park Guest Ranch want some new folders, and also some more stationery. You will have a sample of the three page fold. They are adding some new pictures, so I think we had best plan on a stapled job of either eight or ten pages.

Will you send me an estimate on 500 and 1000 using the five old cuts and three possibly four new ones? Include the cost of the plates and can Johnson make them? The text will be somewhat changed but the size and general style will be the same.

Can you duplicate this letter paper? And what envelopes?

With best wishes,

Sincerely
