W.Schiller & Co.,
Saint Louis, Mo.

Dear Mr. Heagy:-

Enclosed please find my check for \$16.14, to cover the small balance due you and for a case for the 4x5 Bu-Vue camera. Also, to date I have heard nothing further about the albums and am wondering if you can send me any information regarding them. I need two more like those I purchased from you just as soon as I can get them. If the horizontal albums are not immediately available will you please send me two more of the 3x10 uprights. These can be used though I should prefer the horizontals. As I have an order waiting for delivery, I must have something as soon as possible.

Thanking you for your prompt attention,
I am,

Sincerely yours,
