Dear Everett:-

Under separate cover I am returning to you the Full-Vu binder as I want a horizontal not an upright. Thought I specified this. I know this company makes a horizontal, 8x10 with the binding edge the 8 in dimension. Will you also send me the following:-

- 4 dz. medium lantern slide plates
 - 1 dz. contrast.
 - 1 mixed case of flash bulbs, $\frac{1}{4}$ No. 56's $\frac{1}{2}$ No. 22
 - 1 mixed case flash bulbs same size blue.
 - 4 500 w. 3200 K. floods.
 - 2 dz. 16 x20 Defender T 3.
 - 1 carrying case for a Nu-Vue 4x5 camera.
- I want this for a pupil of mine here. Have had had it on order through Schiller in Saint Louis for six months, will you see what you can do?

I enclose my check for Nov. account less the Full Vu.

Thank you for your prompt service, and I hope that you will have most of the above in stock.

Very truly yours,

P.S. Will you also get me the following gelatin filters
