Dear Laura:

In response to your letter of October 23, we are pleased to quote as follows on the items contained therein: 8 x 10 Panatomic X and Tri-X Pan Type B plates are priced at \$4.02 per dozen in less than case lots and \$3.81 per dozen in case lots of 10 dozen; the 5 x 7 size is priced at \$1.94 per dozen in less than case lots and \$1.84 per dozen in case lots of 20 dozen.

The Metallographic plates 8 x 10 are priced the same as any panchromatic plates.

We have very little call for plates and do not carry any large quantities in stock. However, we usually carry one or two dozen 8 x 10 and five or six dozen 5 x 7, but at present our stocks are completely exhausted.

We did not find enclosed with your letter the envelopes that you wish prices on, but if you will send us one of these for the size and type you wish, we shall be glad to send you a quotation.

We thank you for writing us and shall look forward to hearing from you in the near future.

Very truly yours,
