Dear Miss Gilpin:

Thank you for writing about the Pueblo Indian Paintings and for sending the portfolio. Since you were here, our regular librarian has returned from vacation, and tells me that we already have this fine set. I am still not as familiar with our library collection as I should be, and didn't know about this at the time of your visit.

We are now fortunate to have the Pueblo Indian set, also the Sioux Indian portfolio and Dr. Jacobson's Kiowa portfolio.

We have been very busy working on the gallery reinstallation all summer, and at last the show will open next week. We wish you could be with us. Perhaps when you are through again you can stop.

Your portfolio is being returned, and thanks for suggesting it. With best regards,

Sincerely yours,

Eugene Kingman
