Dear Miss Gilpin,

Your letter of October 14th was handed to me to-day. In it you claim 8 black and white prints which were missing when you were in this office.

We recently cleared our files from pictures which we think will not sell in the near future. These pictures are slowly sent back to the photographers, starting next year.

I'm sorry to say, that it is impossible for me to say whether these prints are among the 30 000 pictures which are being mailed back in due course. Neither can I determine whether they are still in our files. I have taken over this department in May - and I will try my best to put any of your pictures aside for return to you, when they do pass through my hands.

Cordially yours
Lilo Maier
