

Oscar Egg · 3406 Eighty first Street · Jackson Heights · New York

Dear Laura:

It has been so long since our last exchange of letters I have wondered if you had decided not to use our suggestions - or if (as has happened to two letters to the Indian Country!) my recommendations & estimate of costs never reached you.

I'm anxious to see "The Pueblos" and to get to work on the other books -

Margaret joins in best wishes,

Yours,
Oscar
