

THE ST. LOUIS INTERNATIONAL SALON OF PHOTOGRAPHY

Presented by the Photographic Salon Society of St. Louis, Inc.

4 March

Dear Miss Gilpin:

I have been informed that the Continental Airlines do not come to St. Louis. Therefore if you come by air, upon your arrival, would you mind taking the airport limousine to the Miller's residence, I will leave my phone number with them so you can get in touch with me upon arrival. The regular route of the airport limousine is only one block from Maryland av., therefore

I feel sure they will drop
you off at the Miller's
residence.

Sincerely

John Raleigh
