Dear Miss Gilpin:

This will acknowledge receipt of your
17 kodachromes.

I have gone through your material
carefully and should like to hold 15
of your transparencies here and I am
returning two to you that I don't feel
have any sales possibilities.

This material looks very promising and
I am getting right to work on it and
will keep you posted as to our results.

In the meanwhile, I should like very
much to see more of your work.

Cordially yours,

F. P. G., I N C.
