Miss Laura Gilpin,
614 Alameda Road,
Santa Fe, New Mexico.

Dear Laura:

I thought I picked out in the list you sent me day before yesterday, for a total of seven cards, an extended outside view of LaQuinta. I would like very much to have the circular porch on the bank of LaQuinta, which is beautiful, made into a card and I think you have a photograph of that somewhere. If you cannot find it, just order the seven, but let me know.

Yours faithfully,

A G Simms
