Dear Madam:

It was my privilege recently to hear you in a round table discussion over WOW Omaha. About a week before that I had chosen for my study club topic this year "Photography", so I was especially interested.

Can you give me some of the highlights of the exhibition which you helped judge in Omaha, and also some facts about yourself, which would be of interest to a group of married women ranging from about 26 to 46? We would also appreciate some pointers on what to do and what not to do in taking amateur pictures with small cameras, and what's new in the small camera field.

A stamped envelope is enclosed, and thank you.

Very truly yours,

Hazel Steckelberg
