Santa Fe, New Mexico

Dear Miss Gilpin:

Please have one thousand of the Chapel cards printed for us.
I am glad to know that it is now possible to proceed with the
printing.

A Taos artist, Arthur Merrill, has already made the sketches
for a series of postcards on The Lodge, however, at your con-
venience, we should be glad to talk with you in regard to having
additional photographic cards of yours.

Cordially yours,

Earl Vance, Manager
