Colorado Springs, Colorado

Dear Miss Gilpin:

I am sending with this a photostat of a Chrysler advertisement which is to appear in full color in national magazines. We expect to photograph the cars in New York and strip in the desert mountains in the background.

Do you have in your collection of kodachromes anything which might be suitable background? We would like to get more dramatic mountains in the background and local road-side filling station details in the foreground.

Please send me whatever you have, color or even black and white, by air mail to reach me not later than January 21. If you do not have any material and know of someone who does, I would appreciate a wire, collect, with this information.

Cordially yours,

Gordon M. Wilbur
