Dear Miss Gilpin:

It was very pleasing to receive your letter of February 22nd. Mrs. Williamson and I frequently refer to the very pleasant visits we had about a year ago with you and Miss Robey, and we both hope that we may continue the pleasant acquaintance with both of you.

I am disappointed to know that your Yucatan book will not be out for some months. Incidentally, I am attaching copy of my letter of even date to the publishers. When your Rio Grande book is out, I would like to know about it so I can get that also.

I am going east this afternoon but expect to meet Mrs. Williamson next Sunday in Ohio, where she is visiting, and I will give her your letter. I am sure that if she were here she would join me in wishing both you and Miss Robey the best of everything.

Yours very truly,

J. T. Williamson

HASTINGS HOUSE
67 West 44th Street
New York City, N.Y.

Gentlemen:

While in Yucatan about a year ago, we met Miss Laura Gilpin, a photographer living somewhere in the west, who was taking pictures for a book regarding Yucatan.

Word has reached me that this book has been or will be published by HASTINGS HOUSE, but I have not been able to locate a copy in Chicago. If it has already been issued, will you please advise me where I may purchase a copy, or if it has not yet been issued, will you please put me on the mailing list to be notified as soon as it has been printed? If it has not already been printed, I would be glad to have you let me know just when it is expected it will be printed.

Yours very truly,

(SIGNED) J. T. WILLIAMSON
