Dear Miss Gilpin:

We have on file a folder put out by you on Pictorial Lantern Slides of the Southwest. I have no idea of the date of this folder, and so am writing to inquire if you still have slides to sell.

If you do still sell slides, would you be so kind as to tell me the size and price of them. Do they have to be bought in sets or could we obtain individual slides? We are particularly interested in material of an art nature - architecture, sculpture, painting, minor arts.

I should appreciate very much any information you can give me.

Sincerely yours,

Margaret A. Alexander
