Dear Miss Gilpin:

We are delighted to have your acceptance to exhibit in the Women's Invitation Exhibition to be held at The Camera Club during the month of November. I will have your prints from Nancy Newhall.

We are asking each exhibitor to write a few descriptive words regarding the pictures, such as, where, how or for what purpose they were taken. This will be posted with the pictures and has proved of great interest to the public.

Would you be good enough to use the enclosed card and return it to me with the pictures, or by separate post.

The Preview Opening will be held on Sunday afternoon October 31st. Please reserve that date. I hope you will be able to come and bring your friends. The invitations will follow.

In order not to trouble you further, we will assume that, for publicity purposes, we may use any of your pictures which the press or magazines may want -- unless you give us your special instructions how you wish this handled.

Thank you for your participation which is helping to make this exhibition a success.

Sincerely,

Alouise Boker
Exhibition Chairman
