

Dear Miss Giffin -

There was no bill
in the box of cards - Will you send us
one please? They are lovely, and
you are an artist.

Edna has told me
so much of you - of your ability and
your great kindness to her -

What a tragic figure
she is. And how well she man-
ages - with nothing - one might say

Really a remarkable person -
I should sink completely under
half of such a load.

Kindest regards.

Sincerely

May twenty fourth

Armed Cooley -
