March 15

Dear Miss Gulpin -

I have your letter of
March 12 - & I am glad you
like the house so much. I
like it too - it always seemed
a beautiful home to me.
I am retaining the check
for March rent & I
repeat you can have the
house on a monthly
basis for a year or more.
This I guarantee you. -
Of course you can use the
house for the trees in
summer, besides the

drawn from the dark
room. I hope you have a
happy time in the house.

Sincerely

Isaac Eastman
