Dear Laura Gilpin:

Your letter of
May 16 has been received.

I was interested to note
that you are now located in
old Santa Fe.

I have written a review
(We are limited to 300 words.) of
your Chicken Itza book for Natural
History Magazine, which may be
published in the coming (June) num-
ber. Anyhow I shall send you a
copy of the magazine containing
the review whenever it does appear.
I am glad you are planning

to submit some Colorado wild flower kodachromes to Natural History. Please submit kodachromes or black-and-white photographs to the editor, Dr. Edward M. Weyer, Jr. — I am not editor; in fact I am not on the staff of Natural History magazine.

I shall look forward to seeing your new Maya book when it is ready, and for your Follow the Rio Grande.

I am sorry to hear that Brownie has not been well.

With all good wishes, I remain

Sincerely yours,
Clyde Fisher
