Dear Miss Gilpin:

Mitchell Wilder of the Colorado Springs Fine Arts Center has very kindly called to our attention the exhibition of photographs that you are now showing at the Center.

I am sure our public here in Kansas City would be very much interested in seeing them and I am sorry our first available space in the loan galleries would be during the summer months of 1950. I realize that is quite far in the future, but if the group is to be available at that time, we would appreciate having details of a possible showing here.

Sincerely yours,

Director
